Sentco.net will not intentionally monitor or disclose any private electronic mail message unless required by law.

Sentco.net reserves the right to refuse to post or to remove any information or materials, in whole or in part, that, in its sole discretion, are unacceptable, undesirable, or in violation of this Agreement. Sentco.net does not pre-screen or control content as a matter of policy, but Sentco.net shall have the right, but not the duty, without prior notice to User or to any other person or entity, to remove Content that is deemed in Sentco.net's sole discretion, harmful, offensive, inappropriate, unsuitable, or otherwise in violation of this Agreement, industry custom, or any applicable federal, state, local, international, or foreign law or regulation.

In addition, Sentco.net may terminate your use of the Service if, in its sole judgment, you have violated any of the conditions pertaining to User Conduct or Warranties and Representations of the User.

Section 8 Publication of User Information

You understand and agree that, unless you notify Sentco.net to the contrary in a written document sent or delivered to Sentco.net at 122 West 17th Street, Falls City, Nebraska 68355, Sentco.net may publish your name and other consumer information in one or more directories which may be accessed by other Internet users; in addition, unless you notify Sentco.net to the contrary as provided above, Sentco.net may make such information available to third parties from time to time. You further agree and submit to the exercise of personal jurisdiction of such courts for the purpose of litigating any such claim or action.

Section 11 Spam Filtering

Generally, Sentco.net does not monitor or filter e-mail messages incoming to Customer's account. However, if Customer purchases the optional "Spam Filtering Service" from Sentco.net, Customer understands that as with any computer-based system, Sentco.net "Spam Filtering" is not perfect. Whether a message is determined to be "Spam" is determined by a computer program. This program cannot understand the content of the e-mail; it can only search for certain words and patterns that are common in "Spam" but unusual in personal messages. Customer understands that occasionally personal messages contain words or phrases, such as but not limited to profanity or large numbers of exclamation marks at the end of the subject that may cause the "Spam Filter" to categorize the personal message as "Spam." If a personal message has enough characteristics of "Spam," it will be filtered out into your "Junk Mail" folder.

If Customer purchases the optional "Spam Filtering Service," Customer agrees to check Customer's "Junk Mail" folder at least weekly for misdirected messages. Customer understands and agrees not to hold Sentco.net responsible or liable for misdirected e-mail messages or any consequences arising as a result of misdirected e-mail messages.

Section 12 Additional Notices and Disclosures

- 12.1 Notice of Violations of the End User Agreement. Sentco.net requests that anyone who believes that there is a violation of the End User Agreement direct the information to: info@sentco.net.
- 12.2 Agent to Receive Notification of Copyright Infringement Claims. The Digital Millennium Copyright Act of 1998 (the "DMCA") provides recourse for copyright owners who believe that material posted on Internet sites infringes their rights under U.S. copyright law. If you believe in good faith that items, information or other materials appearing on the Service infringes your copyright, you (or your agent) may send Sentco.net's Designated Agent a notice requesting that the item, information or material be removed, or access to it blocked. You can contact Sentco.net's Designated Agent at: info@sentco.net.

Section 13 Miscellaneous

In the event that any portion of this Agreement is held to be unenforceable, the unenforceable portion shall be construed in accordance with applicable law as nearly as possible to reflect the original intentions of the parties and the remainder of the provisions shall remain in full force and effect.

Sentco.net's failure to insist upon or enforce strict performance of any provision of this Agreement shall not be construed as a waiver of any provision or right. Neither the course of conduct between parties nor trade practice shall act to modify any provision of this Agreement.

User agrees that any cause of action you may have with respect to the Service must be commenced within one (1) year after the claim or cause of action arises or such claim or cause of action is barred.
